General Information/Registration Form

Please review the information below:

RIDING All students must be 8 years of age or older at time of registration. You will be given instructions and taught with an instructor for all classes listed below. For those of you that have never ridden before, don't worry we will teach you during your class the ways to instruct the horse. Trainers and helpers will be with you at all times. We want you to have a great experience so it's very important that we achieve that with you. Students under the age of 19 will be required to wear a helmet. EEC provides these helmets for you. Listed below are all the classes in small detail of each class and length of time we provide for each class. In all the classes listed below, you will learn how to lead, groom, tack, interact with the horse and much more.

REGISTRATION FOR CLASS Please select each class you are interested in and submit this registration form to EEC. Register on our website at www.elkhornequestriancenter.com. If there is a date listed next to the class that you are registering for then once we receive your form we will add you to the class and send out an invoice for your registration. If no date is listed, once we receive your form, a trainer will contact you and set up a date that works for you and them. All payments are due 10 days prior to your class date. Please plan two weeks prior for each class unless dates are already provided. If payment isn't received then we will require a check or cash on the day of service. A liability waiver will be required to be signed the day on your class. We have attached that liability for your convenience. If you have any questions, please feel free to reach out and contact us about a class. Email is the best way to contact us.
